Product description

Perhaps you are the kind of person who desires perfection. Perhaps you long for an object that seamlessly integrates into your lifestyle; an object with the kind of finish that lets your fingers lightly brush over sleek, refined stainless steel.

Perhaps you are also the kind of person who desires performance, which means you strive for results: Through funtionality, efficiency and ease of use.

And if you are - Then are you also the kind of person who, above all else, desires protection...?

Then this - is the Desire2 Touch Multifunctional Wireless Keyboard with Touchpad presented in a super slim, lightweight stainless steel design.

With the ability to connect wirelessly to your computer or Smart TV using the included USB wireless receiver for full control up to 10 metres via a full QWERTY keyboard, an in-built touchpad with Smart multi-finger functionality, a built-in rechargeable lithium-ion battery for long-lasting use, and all with industry-leading 3 year warranty for peace of mind, the Desire2 Touch Multifunctional Wireless Keyboard with Touchpad could be your ultimate object of desire.
