Product description

Perhaps you are the kind of person who desires perfection. Perhaps you long for an object that seamlessly integrates into your lifestyle; one built to withstand the hardest of environments while somehow maintaining a discrete, minimalistic kind of design that goes almost unnoticeable on your wrist.

Perhaps you are also the kind of person who desires performance, which means you strive for results in stamina, functionality, and durability.

And if you are - Then are you also the kind of person who, above all else, desires protection? Protection of your device, and protection of yourself...?

Then this - is the Desire2 Compete with my Coach Lite Fitness Tracker

With a 0.86" OLED display providing easy touch control, an adjustable TPE strap for long-term wearing comfort, vibration alert, a long 5-7 day standby mode, an in-built GPS allowing you to track your daily activities, progress and even your sleep through the free VeryFit app, all inside a water and splash resistant
